President's Message

Hello Patrons,

The Beverley Agricultural Society once again welcomes you to our Annual Show.
It is important to thank all the committee members; their hard work and collaborations each year brings the show together. The time and energy given by each member of our committee is significant and I hope they receive as much satisfaction as I do when another successful Show comes together.

Our theme this year is "A Look Back in Time".

In 1872 the first meeting of the Beverley Agricultural Society was held in what is now the Dead Finish Museum. So we celebrate not only 150 years of our Agricultural Society but also significant milestones for the Dead Finish Museum and Beverley Road's Board. The long history that the town of Beverley has will be showcased in September with the Spring Back to Beverley Festival. There will also be interesting historical items on display at the show for patrons to view, that along with our full entertainment programme will make for an exhilarating day for all.
We also have a long history with our sponsors, maybe not 150 years, but many of them have been with us for a very long time. These contributions are vital to the continued success of our show. Thank you Beverley Hydraboom for once again sponsoring our fireworks, a long standing tradition that always ends the show on a high. Thank you Beverley Electrical and Hollie Smith Photography, long time sponsors of our Exhibition Shed. Thank you to all our Lamb's Play Pen Sponsors who support the children's entertainment and the Bronze Livestock Sponsors who enable us to offer prizes for all the livestock competitions. A warm welcome to our new sponsors, Beverley Tyre Service, who are supporting the Tyre Trail this year.
I also want to thank the very many volunteers, many who have been turning up year after year to help us. Without their help we would not be able to run the show. We always need more volunteers so if this is something you are interested in, please contact me or any member of the committee, we would love to have you on board.
Enjoy the Show!
